

1. AVS9 Travel Scholarships (\$600) defray cost of attending meeting  
**Students**  
 Agathe Colmant  
 Keaton Crosse  
 Emily Machala  
 Thisun Piyasa  
 Daniel Enosi Tuiuplotu **Postdoc.**  
 Joshua Hayward.
2. Griffith Institute of Glycomics **Student Oral** Poster, \$500.  
**Keaton Crosse.** The host antiviral protein viperin positively augments the innate immune response against DNA viruses.Griffith Institute of Glycomics **Student Poster**, \$500.  
**Orion Tong.** Plasmacytoid dendritic cells: responses to HIV during initial infection.Griffiths Institute of Glycomics **Student Poster**, \$500.  
**Svenja Fritzlär.** MNV manipulates the surface expression of MHC class I proteins.
3. **American, ASM Student Poster Prize**, \$300 (voucher for ASM books).  
**Chelsea Gerada.** Varicella zoster virus ORF63 inhibits apoptosis in both human neuronal and keratinocyte cell lines and changes its localisation upon apoptosis induction.
4. **ASM Poster award (non-student)**, \$400 (including ASM membership , 2018)  
**Andrii Slonchak** (2 posters). Discovery, characterisation and functional analysis of novel WNV-derived small non-coding RNAs; Role of non-coding RNAs in the 3'UTR of ZIKV  
 And 1 oral: Systems biology and small RNAs in exosomes from WNV-infected cells (overall theme of small RNA's and Flaviviruses)
5. **ASM Oral award** (non-student), \$400 (including ASM membership, 2018).  
**Rebecca Ambrose.** Characterisation of a novel inhibitor of the IRF3-independent antiviral immune response.
6. ViiV Healthcare Student Award. \$1000  
**Heeva Baharlou**  
 ViiV Healthcare Student Award. \$500 **Daniel Rawle** (Poster)  
 ViiV Healthcare Postdoc Award. \$500 **George Mbogo**
7. AVS Student Award – cosponsored by ASM, \$1000  
**Agathe Colmant**
8. AVS Rising Star Award – co-sponsored by ASM, \$1000.  
**Kirsty Short**
